Tena koutou parents, caregivers and whanau,

Welcome back to Term 3!

We have certainly hit the ground running this week with lots of activities taking pride and place up at the Vale. There are a number of notices to be aware of this week so please read this week's newsletter carefully.

**Reports.** Reports were issued last term.

If you have not yet received your child's, please contact the office.

**Parent/ Teacher Conferences.** As mentioned, we will hold Parent/ Teacher conferences this **Friday 26 July**. If you have not yet booked a time slot with your child's teacher please do so by following the instructions in this newsletter.

If you have any concerns, please contact the office.

**REMINDER - THIS IS A NON SCHOOL DAY however your child must attend the interview with you.**

**Visitors.** As whanau are aware, all visitors must either sign in or check in at the office when coming on to school grounds during operational hours. As part of our mahi to strengthen safety procedures for our tamariki and staff, visitors who are either collecting or meeting students during school time must now wait at the office while that particular child is sent for. No child will be released to any adult who visits classes unless they have been cleared at the office to do so. Again, we wish to clarify that this has been done to strengthen the safety of our tamariki and staff. In some instances such as cross country or conferences, signing in will not be required but if you are unsure please come to the office anyway.
