

## 4 May 2022 Term 2 Week 1

Tena Koutou Parents, Caregivers & Whanau,

Welcome back to school for Term 2.

We are looking forward to a more settled term now that the Omicron outbreak has settled down. It is important for all our students to be back in a regular routine of being at school every day so we will be focusing on attendance this term and following up on any unjustified absences.

There are many things happening during the term so please make sure you are watching out for the newsletter every Wednesday so you can keep informed.

Matua Tom is away this week so if you have any queries please contact school and speak with either Whaea Losaria or Whaea Heather.

### Modular Classrooms.

The construction area, while on school grounds, technically belongs to the BuiltSmart company until the work is completed and officially handed over to school.

We therefore advise all students, staff and community members to please stay out of the area while work is still taking place.

Details of the classrooms official opening will be given at a later date.

### Carpark.

We have had incidences of cars dropping students off in the morning and leaving the school carpark at speed. This is extremely unsafe with all the students coming onto the school grounds at this time so can we please ask everyone to keep their speed right down.
